### Annual Report on Senior Citizen and Permanently Disabled Discount Rate

In the sixth year of the program, KCWD90 has 55 customers participating in our "Low Income Rate for Senior Citizens and Permanently Disabled" Discount Rate Program. The total cost to the District for the sixth year of this program (July 1, 2016 through June 30, 2017) was \$9,194 (compared to \$8,163 in the fifth year). Customers who qualify for the discount program pay a base-rate of \$22.70 rather than the full base-rate of \$52.30. Consumption charges and the summer surcharge are at the regular rate.

*Application for Reduction in Water Rates form* can be found on our website at [www.kcwd90.com](http://www.kcwd90.com) under Applications or for more information, call the District office at 425 255-9600.

### Do you qualify? Here are the requirements:

- You or your spouse are 55-years of age or older, OR permanently disabled AND.
- You are living in the residence and pay the water bill AND.
- Your gross income from all sources is under \$22,000 if single and \$27,000 if married.

### Medical Conditions/Medical Treatment

We are currently updating our records. If you or someone in your household is currently on Dialysis, KCWD90 wants to know. Please contact your medical professional and have them call or send a letter confirming the condition.

KCWD90 is again this year, an Official Toys for Tots Drop-off Site. Collection begins on Monday, November 13, 2017, and ends Thursday, December 14, 2017. Our office hours are Monday-Friday, 8:30 a.m. to 4:30 p.m. **Toys for Tots** will only accept new, unwrapped toys. Help us make this ANOTHER great year of giving.  
Thank you!

### HAVE YOU ATTENDED ONE OF OUR FREE SAVVY GARDENING CLASSES?

In 2017, the District held five gardening classes with great attendance and reviews!

All our classes are sponsored by the Saving Water Partnership and King County Water District No. 90. The Saving Water Partnership consists of a group of 19 local water utilities in the Seattle Public Utilities service area.

We host these classes to inspire and provide real gardening solutions that are both beautiful and healthy – for you and your family and the environment. When we design and install gardens in a healthy and sustainable manner, they do not demand excessive watering, pesticides, or fertilizers.

**LOOK FOR THE 2018 SCHEDULE OF CLASSES ON OUR WEBSITE OR CONTACT THE OFFICE TO BE ON OUR MAILING LIST.**

## Our 65<sup>th</sup> Anniversary & Customer Appreciation Event was a HUGE success!

Our attendees were at least 350 in number and the contributions to the raffle was a great success!. We raised well needed funds for our area 501C3 organization, Issaquah Food Bank and they were very grateful. We will do it again for our 70<sup>th</sup> anniversary in 2022.

District Staff, Commissioners, & Volunteers
