Marianne Binetti is a northwest horticultural expert. Marianne has a degree in horticulture from Washington State University, is a garden columnist and avid speaker. Marianne is an author of more than 10 garden books including, "Container Gardens for Washington and Oregon". She lectures and gives seminars on a variety of topics. Marianne also leads tours to see beautiful gardens all over the world.

Container Garden Do's and Don'ts: Learn the most common mistakes to avoid as well as tips including how to reuse potting soil, what type of pot works best with different types of plants - clay vs, plastic, vs ceramic pots all hold heat and water differently. How to fertilize and water different types of container gardens and some new and exciting blooming plants that will liven up your potted paradise.

Take home class handouts, enter to win door prizes, and enjoy refreshments!
