

KING COUNTY WATER DISTRICT NO. 90

KING COUNTY, WASHINGTON

RESOLUTION NO. 1036

A RESOLUTION of the Board of Commissioners of King County Water District No. 90, King County, Washington, providing for an increase and changes in the current water rates and administrative charges charged by the District and adopting a Schedule of Charges.

WHEREAS, The Board of Commissioners has reviewed and determined that changes to the description and amount of various charges for residential and commercial rates and administrative charges is necessary to provide sufficient revenues to meet the District's planning, maintenance and financial obligations; and

WHEREAS, a Schedule of Charges has been prepared by District staff setting forth the water rates for residential accounts, government accounts, school accounts, commercial accounts, mobile home park accounts, irrigation rate accounts, and commercial fire sprinkler rates, together with miscellaneous administrative charges as authorized by the Board;

WHEREAS, the Board of Commissioners recognize that water service is provided to customers outside of its corporate boundary, but within its designated service area. The Board of Commissioners have determined that annexing customers outside of the District's corporate boundary is beneficial to the District and its customers for purposes that include, but not limited to, comprehensive planning, capital improvements, right to vote, and full representation in the District. The Board of Commissioners further recognize that the timing of an annexation may take several years of planning, and the cost of future annexations cannot be fully determined. The Board of Commissioners has taken into consideration potential costs and expenses of annexation, together with the provisions of 57.08.081 RCW relative to new connections outside the District's corporate boundaries. District staff recommends that a rate, equal to double the amount of the base rate, be

charged against all connections made to the District's system occurring outside the District's corporate boundaries for a period of forty years after connection. Such rate to be charged on connections made after February 6, 2018;

NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners of King County Water District No. 90, King County, Washington, as follows:

SECTION 1: That the attached Schedule of Charges is adopted in its entirety as approved by the Board at its regularly scheduled Board of Commissioners meeting on February 6, 2018.

SECTION 2: That the attached Schedule of Charges for rates, charges, and fees of the District for the year 2018 is hereby adopted. Any change to rates which are billed bi-monthly shall become effective for any bills issued after February 6, 2018. For other charges, where no other effective date is designated, the charges are either a continuation, without change, of existing charges; or the new charges shall become effective on February 6, 2018. All charges shall be administered in accordance with the District's policy resolutions. To the extent policy resolutions establish amount of charges, they are superseded by the Resolution. Otherwise, such policy resolutions remain in full force and effect.

ADOPTED by the Board of Commissioners of King County Water District No. 90, King County, Washington, at a regular open public meeting thereof on the 6th day of February, 2018.
