* If actual charges are more than \$150 or \$300 for a Water Availability Certificate, additional charges plus 20% will be charged to the certificate holder. Payment is due in advance of receiving the Water Availability Certificate.

Meter Installation

All fees are collected in advance of Installation. Fees must be paid by cash or check.

Customers must be ready for meter installation within one month of payment.

Bimonthly charges start the day your meter is installed.

Complicated installations require a deposit of \$9,500. Complicated installations are determined in the sole discretion of the District staff and will be charged actual time and materials. See Resolution #1071.

Paving plus 20% overhead is charged separately.
