MORE DATES & CLASSES to Be Announced	Check out our website at www.kcwd90.com	

All our classes are **FREE** and will be held either online or at our District Office located at 15606 SE 128th Street in Renton, Washington. Whenever a class is online via Zoom, the District will host a “watch party” as well for those who prefer to “attend” the class. Please register in advance as space is limited. Contact our Outreach Coordinator via email at kirstenk@kcwd90.com or by phone at **(425) 255-9600**.
We hope to see you at one of our classes!

BACKFLOW TESTING SPRING REMINDER

If you have a backflow prevention assembly for sprinklers, irrigation, fire sprinklers, etc., you are required to have the device tested annually any time after May 1st with test results due by June 30th. You should begin to schedule with your Backflow tester ASAP for testing any time after May 1st and have them upload results to BSI Online. We will be offering a class on **Automatic Sprinkler Systems and How to Water Efficiently**. Watch for it!
