All our classes are **FREE** and will be held either online or at our District Office located at 15606 SE 128<sup>th</sup> Street in Renton, Washington. Whenever a class is online via Zoom, the District will host a “watch party” as well for those who prefer to “attend” the class. Please register in advance as space is limited. Contact our Outreach Coordinator via email at [kirstenk@kcwd90.com](mailto:kirstenk@kcwd90.com) or by phone at **(425) 255-9600**.  
We hope to see you at one of our classes!

### \*\*BACKFLOW TESTING SPRING REMINDER\*\*

If you have a backflow prevention assembly for sprinklers, irrigation, fire sprinklers, etc., you are required to have the device tested annually any time after May 1<sup>st</sup> with results due by June 30<sup>th</sup>. You should schedule your test now.  
We are offering a class on **Automatic Sprinkler Systems and How to Water Efficiently**.

Email [info@kcwd90.com](mailto:info@kcwd90.com) to register.
